

Situation:

The villa is located on "Grande Terre" ("Large Earth"). It forms part of the Karukera residence. To go over there from the "POINTE A PITRE" Airport, please read those explanation. When you leave the airport, take the direction of SAINTE ANNE/SAINT FRANÇOIS. It takes around 50 minutes to go to the villa

To go to the villa:

Arrived to SAINT FRANCOIS, you take the direction of the road of the castles (ROUTE DES CHATEAUX). This road while arriving in Saint François is located on the left of the road. (It is not necessary to go to the centre of Saint François.)

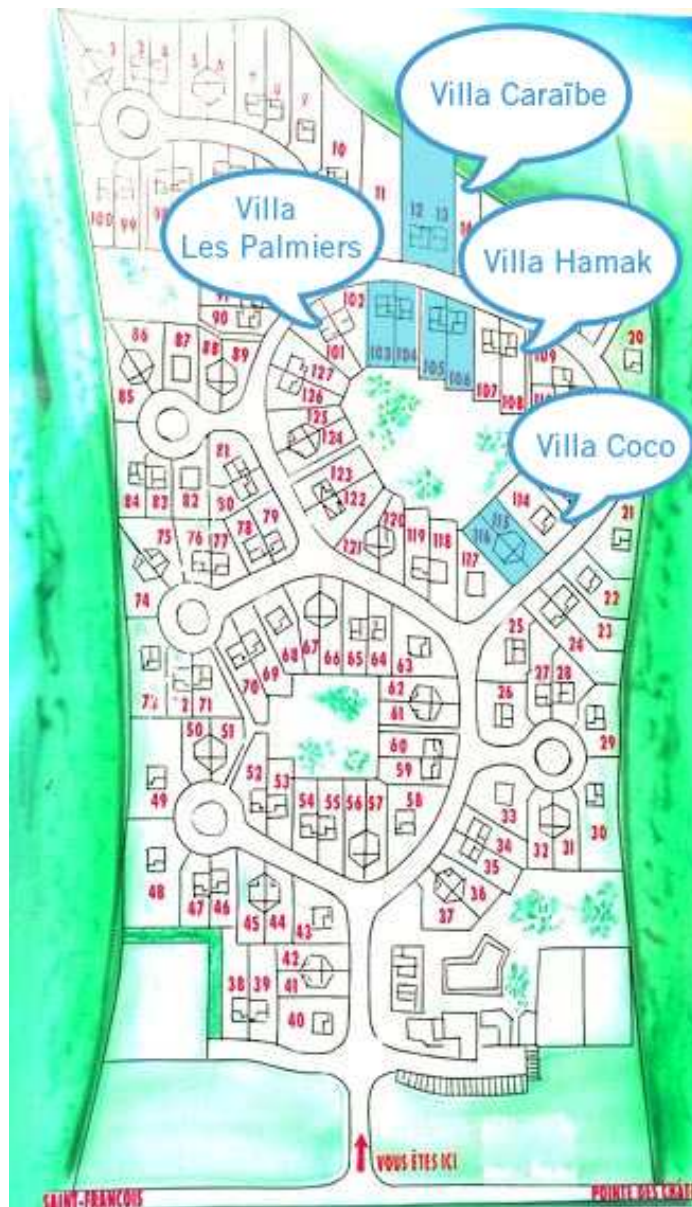

The Karukera residence is located at half distance between Saint François and the end of the point of the castles (POINTE DES CHATEAUX). To locate the entrance, you have to know that "the house of the COCO" (MAISON DE LA COCO) is at the entrance of the residence.

At the right of the road of the point of the castles (POINTE DES CHATEAUX), you will see 3 times a panel.

Arrived at the entrance of the residence you will find at your right a plan of the residence.

You can locate your villa on the map of the residence :
The villa Caraïbe 12/13
The villa Les Palmiers 103/104
The villa villa Hamak 105/106
And the villa Coco 115/116

Once in top, you will be able to benefit from the villa and finally rest after this travel.

We wish you welcome in Guadeloupe and in the Caribbean villa.
